PUERTO VALLARTA

Rising on a verdant hillside above the glittering blue Pacific, Garza Blanca Sanctuary Puerto Vallarta sits between the sea and sky, offering an elevated retreat for both families and couples. Contemporary Mexican design, warm hospitality, and the natural beauty of Puerto Vallarta come together in a setting designed for effortless coastal living.

Garza Blanca Sanctuary features **228 spacious suites** overlooking Banderas Bay. From contemporary furnishings and curated artwork to exceptional culinary experiences and thoughtful amenities, every detail reflects a refined approach to comfort and personalized hospitality. Sophisticated interiors draw inspiration from the surrounding landscape, while oversized balconies open to panoramic views of the Pacific and the Sierra Madre Mountains.

The oasis-like suites include thoughtfully designed accommodations created with families in mind. Connecting rooms make it easy to spend time together while preserving a sense of privacy for every guest. Generous lounges, dedicated play areas, and outdoor spaces with private plunge pools create room for everyone to settle in and enjoy the stay at their own pace. Parents can retreat to serene bedrooms, while children have spaces designed to spark their imagination.

Beyond the suites, Garza Blanca Sanctuary invites guests to enjoy each day in their own way. Gather over a handcrafted cocktail, unwind beside an infinity pool framed by tropical gardens, or savor an omakase-style dinner at Hiroshi. Above all, rooftop spaces offer a more serene perspective, with an adults-only pool, bar, and sweeping views across Puerto Vallarta.

The Garza Blanca Sanctuary experience extends beyond the property itself, with privileged access to Garza Blanca Preserve's pristine beach, TierraLuna Gardens, gourmet restaurants, and more. Together, these experiences create a stay shaped by thoughtful comfort, natural beauty, and the freedom to enjoy Puerto Vallarta at an unhurried pace.
